Sub:- Release of fund for maintenance of plantation in the 3rd quarter.

Ref:- This office letter No. APFBC/Plantation/Fund release/2013/42 dt. 26.09.2014

Sir,

Please find enclosed herewith division wise fund released for maintenance of plantation created in Financial year 2013-14 and 2014-15. In this context the following needs mention.

- i. Some of the Divisions have not clearly submitted the target achieved under Sal and other plantations. It needs mention that Sal plantation norm specifies dibbling of seed after line hoeing.

Thus; if due to some reason e.g. non availability of Sal seed, nursery raised Sal seedlings are planted to raise Sal plantation then the same should be mentioned in the physical progress report. It also needs mention that for Sal plantation raised through nursery raised seedlings the financial norms for MHW will be applicable and the same has been intimated in my previous correspondence vide letter No. FDG.713/EAP/FRENCH AGENCY/08-09-010 dt. 24.10.2013 and No. APFBC/Plantation/Fund release/2013/45 dt. 08.10.2014. In absence of report from the concerned officers, maintenance fund for Sal plantation is being released as per Sal plantation norms. However, expenditure should be incurred only for actual area of plantation created as well as methodology followed. No excess or unwarranted expenditure must be incurred.

- ii. In the plantation area scattered advance growth should be retained but patches having thick advance growth should be excluded from the gross plantation area to get net planted area for maintenance.
- iii. Please direct the D.F.O.s to submit photographs, up-to-date cash account, physical and financial progress report, monitoring report for the activities implemented till the end of 2nd quarter and utilization certificate for expenditure incurred.
- iv. All FIUs under your control should be directed to fully complete plantation maintenance work as all works will be monitored by independent Monitoring & Evaluation Agency in very near future.
- v. No fund for maintenance of plantation for FY 14-15 is released to in the Sonitpur (East), the Dhemaji and the Hamren Divisions s no plantation is created in FY14-15.
- vi. No fund is being released for maintenance of 185 ha. Sal area under Nagaon Division as the area is reported by the CCF NAC and Addl. PCCF (T), UAZ to bear profuse natural regeneration

Encls:- As stated

Yours faithfully,
O.P. Pandey 21/10/14
