  - i. has been properly signed and properly designed;
  - ii. is substantially responsive to the requirements of the bidding document; and
  - iii. meets the qualification criteria specified.

**15) Evaluation Criteria:** Bidders will be evaluated on financial capability, relevant experience in AV/conferencing and interior works, post-completion responsibility/maintenance, and the quality of 3D design and drawings, with special emphasis on the design and drawings. The maximum technical score is 100 marks, and bidders must score at least **75 marks (75%)** to qualify for the financial bid stage. Marking for each element and the qualifying criteria set forth herein shall be assigned **internally by the evaluation committee**.

Sl.	Technical	Max marks
1	Financial Capability / Stability	20
2	Experience / Similar Works	30
3	Post-Completion Responsibility / Maintenance	10
5	Digital Presentation (3D Design, 3D Video & AutoCAD Drawings)	40
<b>Total marks</b>		<b>100</b>

**The minimum technical score (TS) required to pass is: 75**

**Note: Bidders are required to fulfill all the conditions specified in Clause 2 of Section-I (Qualification Criteria). Failure to meet any one of the conditions or not obtaining a minimum score of 75 out of 100 in the technical evaluation shall render the bidder ineligible for financial evaluation.**

#### **14) Opening and Evaluation of the Bids -Financial**

- a) The Financial bids will be opened on the specified date and time by the employer's evaluation committee in the presence of the representatives of those bidders whose bids have passed the minimum technical score.
- b) The committee shall examine and confirm that Letter of bid – Financial Part and Priced Bill of Quantities are in accordance with the requirements specified in the bidding document. If any of these documents or information is missing, the offer shall be rejected.
- c) During the evaluation of Financial bid, the substantial responsiveness of the bids will be further determined with respect to those bidding document conditions that were not examined in evaluation of Technical bids.

#### **15) Award of contract:**

- a) The Employer will award the contract to the bidder whose bid has been determined to be substantially responsive and who has offered the lowest evaluated bid price.
- b) Notwithstanding the above, the Employer reserves the right to accept or reject any bids and to cancel the bidding process and reject all bids at any time prior to the award of contract.
- c) Normal commercial warranty/ guarantee shall be applicable to the supplied goods.
- d) The bidder whose bid is accepted will be notified of the award of contract by the Employer prior to expiration of the bid validity period.

#### **16) Adjustment:**

- a) Any discrepancy between the unit price and the total price (obtained by multiplying the unit price and quantity) shall be re-computed by the APFBC Society.
- b) The unit price shall prevail and the total price shall be corrected, in case of any discrepancy.
- c) If the bidder does not accept the final price based on re-computation and correction of errors, its bid will be rejected and the bid security will be forfeited.

#### **17) Liquidated Damages:**

- a) Liquidated damages shall be imposed to the selected bidder under the following conditions:
  - i. Non-completion of work under the contract beyond thirty (30) days from the date of the award of the Work Order shall invite **0.5%** liquidated damage per day of the total contract value.
  - ii. The liquidated damage shall be calculated upto a maximum of 10% of the total contract amount. Next course of action once the maximum percentage is reached shall be termination of the contract under the bid.

- b) All payments to the successful bidder shall be made by Account Transfer only.
- c) All taxes (including GST, etc.) shall be dealt with as per the Govt. laws

d) **No advance payment** shall be made.

## **19) Performance Security**

- a) Within 7 days of receipt of the Letter of Acceptance, the successful bidder shall deliver to the Employer a performance security, in the form provided in Section III, for an amount equivalent to 5% (five percent) of the contract price.
- b) The performance security should be pledged in favor of the 'Assam Project on Forest and Biodiversity Conservation Society Phase II,' payable at Guwahati, Assam.
- c) The validity of the performance security shall be for a period of 45 days beyond the date of completion of all contractual obligations.
- d) Failure of the successful bidder to submit the aforementioned Performance Security shall constitute sufficient grounds for the annulment of the award of contract and forfeiture of the bid security.

## **20) Provision for Variations**

Any variation in the scope of works, including but not limited to additions, alterations, or substitutions, shall be permitted only upon prior written approval of the Project Director, APFBC Society. Such variations shall be executed based on approved specifications and certified measurements, and payments shall be made on actuals as per the applicable rates or as determined by the competent authority in accordance with the terms of the contract. No variation shall be deemed authorized unless expressly approved in writing.

## **21) Insurance and Safety**

- a) The Contractor shall ensure the safety of all workers, tools, and equipment on site and shall be **solely responsible for any accidents, injuries, or damages** occurring during the execution of work.
- b) The Contractor is advised to maintain appropriate **insurance coverage** for personnel, equipment, and third-party liability for the entire duration of the project.

## **22) Compliance with Laws**

The Contractor shall strictly adhere to all **applicable laws, by-laws, rules, and regulations** of local, state, and central governments including those related to **labour, safety, environment, and construction standards**.

## **23) Sub-contracting**

The Contractor **shall not sub-contract** the whole or any part of the work without **prior written approval** of the Employer. In case of violation, the Employer reserves the right to terminate the contract.

## **24) Force Majeure**

Neither party shall be held responsible for any delay or failure in performance due to **events beyond their control**, such as natural disasters, war, strikes, or government orders. In such cases, the timeline for completion may be **extended** suitably, subject to Employer's approval.

## **25) Termination Clause**

- (a) The Employer may terminate the contract **with 15 days' written notice** if the Contractor:
  - Fails to perform any obligations,
  - Abandons the work, or
  - Is involved in corrupt or fraudulent practices.

(b) Upon termination, the Employer shall pay only for the **portion of the work completed** and certified up to the date of termination.

## **26) Confidentiality**

The Contractor shall not disclose any information or documentation related to the work or the project to any third party **without written consent** of the Employer.

## **27) Ownership of Materials**

All materials, equipment, and documents paid for by the Employer shall become the property of the Employer, and the Contractor shall not remove them from the site without permission.

## **28) Dispute Resolution**

Any dispute arising out of or relating to this Agreement shall be resolved through mutual consultation. If unresolved, the matter shall be referred to arbitration under the provisions of the Arbitration and Conciliation Act, 1996, as amended. The venue of arbitration shall be **Guwahati**, Assam.

## **29) Miscellaneous:**

- a) APFBC Society is not bound to accept any bid, nor award a contract/work order, nor be responsible for any costs associated with supplier's preparation and submission of bid, regardless of the outcome or the manner of conducting the selection process.
- b) Areas where job is performed, should be left neat and clean after the completion of the job. All waste material should be taken away and disposed off by the bidder.
- c) No variation or modification of the terms and conditions of the contract shall be made.
- d) All materials and workmanship shall be of branded/superior quality and shall be subjected to inspection. Should the specification does not match highest standard, the Employer may reject them and the supplier shall replace the item(s) to meet specification requirement free of cost to the Purchaser.

17	Boundary Microphone	Cardioid pre-polarized condenser on-table boundary layer microphone with 3-pin XLR, programmable microphone button for Toggle on/off, PTM, PTT and permanent, bi-color LED ring for status indication, TTL logic connector with logic inputs and outputs, frequency response of 40 Hz - 20,000 Hz or better, sensitivity of 10 mV/Pa or better, nominal impedance at 1 kHz of 200 Ω or better, current consumption of 5.3 mA or better, maximum SPL of 140 dB or better, operating on 48 V phantom power. <b>Make: Sennheiser/DPA Microphone/Rode or equivalent</b>	No	13		
18	Digital Signal Processor	Open Architecture Digital Signal Processor with 64-bit architecture. Audio Processing - 32-bit floating point. Mic/Line Inputs - 16 or more with +48VDC Phantom Power on each channel. Line Outputs - 8 or more. GPIO ports for external control - 16x16 or more. AEC channels - 24 or more with 200ms tail length for Analog and Networked Microphones. Minimum 8x8 Dante channels and support for up to 128x128 Network audio channels via Dante /AES67 or similar protocol. SIP Softphone integration for Audio conferencing. USB port for AV USB Bridging for software or web-based conferencing applications emulating USB Audio (Speakerphone) and USB Video (Camera) driver. USB Audio Bit depth - minimum 24 bit, USB Channel - 16x16 or more, USB Sample rate - 48 kHz, A/D-D/A converters - 24 bit or better, Sample Rate - 48 kHz, Input frequency response - 20 Hz to 20 kHz or better, Input and Output dynamic range > 108 dB or better. Front Panel Control and Indicators with OLED Display. Ethernet Ports - Dual Gigabit for Audio Transporation and Audio & Network Redundancy. The Processor should have processing capabilities for Video Conferencing (AEC). <b>Note: Required hardware/accessories/expander with</b>	No.	1
